SHAFQAT HUSSAIN

☎92 3498668951 ✉shafqat8668@gmail.com ⌂ House# 01 Street # 40, Sector I-14 Islamabad.

Personal Statement

An energetic and motivated person who is self-driven, imaginative, hardworking and responsible. I am a management level candidate looking for a position in a dynamic company where I can utilize my skills for organizational development. I have extensive knowledge of a variety of skills and good analytical and interpersonal skills.

Experience

Web Development (September 2022 – To Date)

Experience project

I use programming languages such as HTML, CSS, JavaScript and php to create my websites. And work on front-end web development which includes building the user interface and client-side functionality of the website.

Linux Commands (March2022–june2022)

I have expertise in writing scripts in shell scripts that automate tasks in a Unix/Linux shell environment. My skills in Bash (a UNIX shell) allow me to navigate and manipulate the file system as well as run commands and scripts. I have a good understanding of Linux operating systems and can use various command line tools and utilities to troubleshoot problems and manage system resources.
